One cold and windy day a fortune
appears in the Moku house!

The reason being, Ayao had broken
their dining room table.

She had been attracted to it, and
with trepidation of her Ayao was
somewhat excited, but the matter
wasn't friends, a pair of sister cats
crossed her mind.

Originally, they had been house cats
but they were now living as strays.

Ayao invited the girls to the Moku
house kitchen! They became family
friends.

It looks like this winter will be a warm
one.
